KIDS' HOLIDAY CLASSES

Our innovative education program includes art classes for toddlers to teens as well as for adults. Weekend short courses also feature throughout the school term, giving residents and visitors to the region the chance to explore their creative side. Classes cover everything from weaving to watercolour, painting to portraiture.

Each term the program changes: join us for a term or just a day. The weekday community program provides beginners and intermediate participants with valuable skills-based classes according to demand. Weekend classes are aimed at artists of all levels, particularly through exhibition and materials-based masterclasses.

Children are catered for through our popular and ongoing *Rainbow Connection Preschool Art Club* and new *Art Zone After School Club*. We also host children's half-day workshops during each school holiday period. We look forward to welcoming you to Lake Macquarie City Art Gallery.
